

Additional Information @ Home Prep Florida Contractor CE Courses

We actually have multiple Florida Contractor Continuing Education Courses that we offer. Each one is approved by the Florida Department of Business and Professional Regulations.

Our main course offering is the Continuing Education 14 hour Course (this course consists of two classes that when combined satisfy the full 14 hour CE requirement for Florida Contractors. The State Approval Numbers for each of these are: 13 hours = #0609715 and 1 hour = #061008.)

In addition to the above we also offer students the opportunity to take individual CE modules if they require more flexibility.

<u>@ Home Prep Course</u>	<u>Hrs</u>	<u>Suggested List</u>	<u>Licensing Board # Hrs Satisfied</u>	<u>Licensing Board Reference #</u>
